

**YOU ARE INVITED TO THE MOST
EXCLUSIVE CLUB IN TOWN**

Dear Olympic Friends and Family,

The World Olympians Association, the Italian Olympians Association and Visa cordially invite you to celebrate the grand opening of the Visa Olympians Reunion Center for the Torino 2006 Olympic Winter Games.

This event is an opportunity to celebrate the unique contribution that Olympians have made to sport and the Olympic Games. We would be delighted if you could join us to mark this special occasion.

The Visa Olympians Reunion Center welcomes home Olympians from past Games, provides them with an exclusive venue where they can be reacquainted with old friends, make new ones and enjoy the sporting events taking place. During the Torino 2006 Olympic Winter Games, the Visa Olympians Reunion Center will be located in the historic Armida Rowing Club, located on the banks of the River Po in the beautiful Valentino Park. The Armida Rowing Club was founded 135 years ago and has played host to numerous national and international rowing regattas. The Visa Olympians Reunion Center will be open throughout the 17 days of the Torino 2006 Olympic Winter Games.

We hope you will be able to join us on this very special evening as we toast the beginning of the XX Winter Olympiad.
